

**takeoffDESIGNS**  
construction estimating

The Layout provided is NOT engineered or prepared by a P.E.  
The layout is prepared to simply show the framers/builders how the  
estimator figured the takeoff and where the material provided  
should go. If needed, a P.E. should review this layout and approve it prior to  
construction. Takeoff Designs will not be responsible for any changes  
or substitution.
